INFLUENCE

OF ALL.  
GIVE. ADVOCATE.

LIVE UNITED  
United Way

## UNITED WAY OF CUMBERLAND COUNTY WILL TALK ABOUT “LIVE UNITED”

It is a new business model for the United Way—a goal-driven, action-packed, results-oriented agenda that works to advance the common good by creating opportunities for everyone to have a better life. Underneath everything we are, underneath everything we do, we are all people. Connected, interdependent, United. When you reach out a hand to one—you are influencing the condition of all. That's what it means to **LIVE UNITED**.

Alice Woods,  
Executive  
Director of  
United Way of  
Cumberland  
County will be  
our speaker.

And unite we must. For thousands of Cumberland County residents, the basic ingredients for a good life are increasingly beyond reach. New Jersey is the second wealthiest state in America, but our communities here in this county have been ranked among the poorest in a wide variety of indicators. Come hear how you and your organization can help.
