He was chosen by the Democratic Majority to lead the Senate in the 214th Legislature in November 2009, and took the oath as Senate President on January 12, 2010. As Senate President, he has taken a leading role in promoting property tax relief and refocusing the state's fiscal priorities, crafting the state's new two-percent property tax cap and leading efforts to reform the state's public employee pension and benefits laws. Senator Sweeney was also instrumental in efforts to reform the arbitration procedures for police and fire contract disputes. Under Senate President Sweeney's leadership, the Senate is also moving fully into the digital age and is poised to become the State House's first "paperless" legislative chamber.
