Presentation by NJ Assembly Majority Leader Louis Greenwald, Chair of the Assembly Budget Committee

Join Us for This Special Annual Membership Meeting of the Chamber

As Assembly Majority Leader, Lou Greenwald was the sponsor of the Economic Opportunity Act, which helped to keep hundreds of jobs in New Jersey and develop business growth and job creation in certain areas of the state, including South Jersey. He was instrumental in bringing a branch of the Cancer Institute of New Jersey to South Jersey and has led the fight to reduce New Jersey's over reliance on property taxes, including sponsoring legislation to provide 95% of New Jersey families with up to \$2000 in property tax relief credits. Although, this plan was vetoed, he continues to fight for property tax reform. As Chairman of the Budget Committee, he committed himself to responsibly balancing the state's finances and has been a long time champion for middle-class values, higher education, investments in science technology, and ensuring all New Jerseyans have access to quality, affordable health care. Come hear this Legislative leader's take on the State's budget, economy, taxes and more. Our Chamber officers and directors for 2016 will be elected and installed and outgoing leaders thanked at this meeting. Members of Chamber by the Bay, Greater Millville, Greater Vineland and South Jersey Chamber are invited to join us for this meeting.

Our thanks to Century Savings Bank for sponsoring this meeting.
